

Important Notice

Aurora BayCare Medical Center Atrium Remodeling and Campus Entrance Changes

Map

Key Dates and Changes

- **November 1, 2024:** At 8:00am, the curbside Pharmacy pick-up will move to area noted in orange on the map.
- **November 4, 2024:** At 05:00 AM, the main entrance will shift toward the hospital tower to allow for construction. Please continue to look for the **blue 1** as that will indicate the main entrance of the building. Wayfinding signage will be placed throughout the campus to guide you to the new entrance.
- **Spring 2025:** Main Campus entrance will reopen.

Parking Adjustments

To accommodate these entrance changes, we have made the following parking modifications:

- Increased handicap parking availability by the new entrance.
- There is no change to valet parking availability.
- Relocated staff parking areas.
- Patients visiting the VLCC, Women's Center, Neurosciences, or Building 6 are requested to park in the back of the campus in lots 6 or 7. More patient parking was added to accommodate this request.
